

WOC TOUR 2021

DOKSY, CZECH REPUBLIC 4-9 JULY

BULLETIN I

/INTRO

UNIQUE TERRAINS

Explore the most beautiful parts of Czechia! Enjoy the sandstone rocks on one hand and the demanding mountain ranges of the Jizerské hory mountains on the other. On top you will experience beautiful terrains of the Doksy surroundings and one sprint.

EXPERIENCE WOC 2021

Join THE Orienteering week! In the morning, race on your own, in the afternoon, cheer for the top athletes! We are pleased to give you the opportunity to experience both. What is more, you will compete in most of the terrains used also for the WOC competitions.

GREAT LOCALITY

Doksy is one of the most favorite holiday destinations in Czechia. It offers a wide variety of activities. Relax by the Mácha Lake, evening disco, beautiful landscape and walks in the surroundings, a variety of restaurants...

EXPLORE THE SURROUNDINGS

Mácha Lake and the castle of Bezděz are the best well-known tourist destinations in the area close to Doksy. However, the region of Northern Bohemia offers much more. If you are done with orienteering, explore the castle of Kokořín, the ruin of Zvířetice, swim in the "sea" of Jablonec, visit the sandstone rock town

Hruboskalsko or enjoy the famous ice-cream in Stráž pod Ralskem.

COURSES FOR THE WHOLE FAMILY AS WELL AS NEWCOMERS

Anyone can choose a suitable course – whether you are completely new to orienteering, a family with children or one of the most experienced masters.

SUSTAINABLE TOUR

Sustainable WOC means also a sustainable Tour. Please, minimize your waste, use reusable products, use the service of shuttle buses to get to the stages. The organizers will be ready to help.

UP-TO-DATE EVENT

Leave your cash at home and rely on your mobile phone or credit card. It will be possible to pay by card at all places related to WOC. Results as well as start lists will be available in the WOC app that also aspires to inspire you on the places to visit or the opportunities for refreshment.

WOC TOUR VILLAGE

The campsite of Poslův Mlýn in Doksy will be dedicated only to orienteers! All in one place – accommodation, accompanying program and catering.

FIVE OUT OF SIX

The final ranking of Tour will be calculated out of your 5 best results. Don't you like sprints? Do you want to spend your day on a trip? Or maybe you missed a control in one of your races? One stage will not be calculated into the final results so you can stay calm and enjoy the day even if your race just didn't go well and still you can win the whole Tour.

FIRST CLASS COURSES

The courses are set by the most experienced course setters from the region. The courses will be worked on for a year and designed to deliver the best of the terrains.

JOINT CEREMONIES

Once you win the stage or the whole WOC Tour, you will get the applause from the World Champ, too. The ceremonies of WOC Tour will be held together with the WOC medal ceremonies.

ACCOMMODATION

You can book your accommodation anywhere according to your needs. However, we would like to encourage you to join the WOC Tour village – no matter if you plan to use a tent, rent a cabin or come in a caravan. We aim to make this place your best choice!
